Alloy Wheel Cover

Our Alloy Wheel Cover insurance provides cover for repair costs following accidental damage sustained to the insured motor vehicle's alloy wheels following a sudden and unforeseen event. By covering the fees of the approved repair technicians, the alloy wheels are restored back to their original condition, and at a time and location chosen by the insured to ensure that there is minimal, if any, disruption.

Coverage

• Covers the appointed repair technician's fees incurred to attend, inspect and repair the alloy wheels of the insured vehicle which have been accidentally damaged after a sudden and unforeseen event
• Covers the original alloy wheels
• The policy does not cover:
  • Aftermarket or non-original wheels
  • Chrome effect finishes
  • Diamond (laser) cut rims
  • Split rim construction
• One, two and three year policies available

Benefits

• Full, UK wide network of approved repairer technicians to attend a location of the insured's choice to inspect and repair the damage
• Available as an individual motor add-on and can also be purchased in conjunction with other vehicle protection insurances such as Misfuelling insurance and MOT Failure insurance
• Making a claim does not affect the insured's ‘no claims bonus’ on their motor insurance policies

Technical

• £125 limit of indemnity any one claim (inc VAT), per policy year
• £1,000 limit of indemnity in the aggregate (inc VAT), per policy year
• £25 excess each and every claim
• Trading options include QUBE (our free, cloud-based broker platform), stand-alone referral, delegated authority scheme, Qdos-managed white labelled online retail facility
• Underwritten by a strong rated UK insurer
